SmartTV Bed Editor Quick Reference
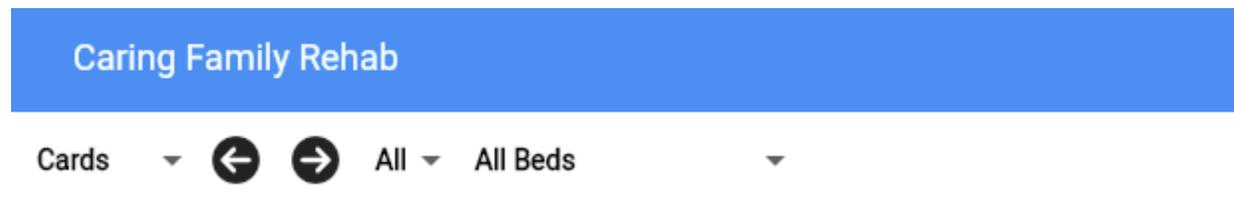

Field with Cards allow the user to specify which editor to use. Drop-down displays the choices. Currently 3 Editors are: available.

Card Editor – Displays the Beds and Occupants in a Card (Kanban) layout.

Grid Editor – Lists the Beds and Patient in a grid.

Floor Map Editor – (Reserved) will display a Map of the Floor and the location of the Patient.

Back Arrow changes the screen to the Previous Nursing Unit if the Rooms are Displayed by Unit.

Forward Arrow changes the screen to the Next Nursing Unit if the Rooms are Displayed by Unit.

Unit Select Field (displayed with All Beds) allows the User to filter the list by selected Option available in the drop-down menu.
